

THE LAYERED ARCHIVES (CLASSIFIED)

I. Redacted Testimony - Layer 5 Encounter Testimony

#042: "It was not empty. The walls pulsed. There was sound but no origin. I took one step and... the floor sliced itself. I don't remember peeling. But I was peeled."

II. False Bloom Report - Grocery Aisle 3 Report

#187: Bloom symbol appeared spontaneously in spilled chili. Two witnesses began chanting. Cleric removed the stain with vinegar and silence. Was it deliberate? Unknown.

III. Rejected Ritual - The Shredder's Chant

Submitted by: Guardian 221-B. Ritual involved whispering to an active paper shredder while feeding it onion skin. Deemed unstable after printer jam and partial oath inversion.

IV. Layer Anomaly - Spiral Echoes

Onion peeled in 13 layers (impossible). Each emitted a tone. Recording lost. Remaining peel forms perfect spiral, preserved in Bloom Vault C.

V. Garlic Disinformation Excerpt:

Leaked flyer reads: "GARLIC IS A FRIEND." Document appears in multiple layers despite being burned. May originate from Shallot Cell B. Investigation ongoing.

VI. The Corridor

They sent 3 guardians to explore the corridor. However, there was no response. They were never seen again. Investigation ongoing. Logged into the terminal. Love the corridor.
